I have the honour to submit herewith copies of my letter No 3020 dated 14th May '19 to the Secretary Bangalore Race Committee and of his reply thereto dated 4th August '19 in the matter of the construction of some new buildings to the east of the present pavilion The Stewards of the Races agree with me in thinking that the present pavilion in the Race course is nothing but an eyesore and is not worthy of this City and its race course The Race Committee apparently are not in a position to put up an attractive Grand Stand which would besides giving them increased accommodation be an ornament to the locality I would therefore respectfully recommend that Government may be pleased as part of City Improvement to sanction a suitable grant-in-aid to enable the Race Committee to construct a decent building

With reference to your letter dated 20th March (received in this Office on the 9th April '19) forwarding the rear elevation of the building proposed to be constructed to the east of the pavilion I have the honour to forward herewith a license to build together with a copy of the plan making thereon some slight improvements in the rear elevation to give a better appearance

2 In this connection I would like to point out that the present pavilion in the Race Course is nothing but an eyesore and is not worthy of this City and its race course The Municipal Council hope that your committee will take such measures as may be necessary to erect a suitable Grand Stand and thereby add to the appearance and beauty of this much frequented road I shall be glad if you decide to build to recommend to Government that the request of your Committee for a grant-in-aid may be favourably considered
